

St Georges Day 2020

Return of the dragon

'You may have defeated me before
but this time it's personal.

I'm coming to burn all of your
toilet rolls and there is
nothing you can do to stop me'

CRIME SCENE - DO NOT ENTER THE DETECTIVE PROJECT CRIME SCENE - DO NOT ENTER

'Ok so I'm bound by the Dragons' code to at least offer one way of stopping me but there's no way you'll do it so get quivering mortals.

CRIME SCENE - DO NOT ENTER THE DETECTIVE PROJECT CRIME SCENE - DO NOT ENTER

Answer me these tricky
conundrums

Only correct answers will save
your precious paper

Woooo hooo I cant wait...
I'm gonna do a biiiiiig flame
then maybe a couple little ones
then another biiig one

Since the year that i was allegedly 'slain' by your boy George I have done the following:

Sleeping - 137 years

Knitting and needlepoint - 59 years

Counting gold - 98 years

Swimming in Loch Ness - 154 years

Meditating - 72 years

The rest of the time I have been plotting my revenge on mere mortals - How long it this?

Three tricky teasers for you.... What Am I

- 1 - Of all your possessions I am the hardest to guard. If you have me you will want to share me. If you share me you will no longer have me.
- 2 - The more that there is the less you will see. Squint all you want when surrounded by me.
- 3 - A spirited jig it dances bright, banishing all but darkest night. Give it food and it will live, water and it will die.

Help me plan my burning and pillaging route round the uk.

Dragon regulations dictate a rest period is required after every two hours of mischief.

I will fly at 740 mph for a quarter of this time and will slow to 620mph for the rest while I'm a burnin' your stuff

How far will I fly in those two hours?

How far will I fly if I work for 6 hours in total not including breaks and naps?

Hurry folks time waits for no
toilet based emergency

Answers ahead!
